Plastic Seals - Plastic Core 2

PLASTIC SEALS - PLASTIC CORE

PLASTIC SEALS, PLASTIC SECURITY SEALS WITH OPTIONAL METAL INSERTS, HSA-SS-P-TX-PS209

SKU: HSA-SS-P-TX-PS209

Plastic Security Seals with Optional Metal Inserts, ISO 9001 Certified, Strong Tensile Strength. Pull Tight or Fix Length.

Anti-spin, ISO 17712 & C-TPAT Compliant, "H" Certified. Easy no tool application.

Material: PP + PE; #65 manganese steel/304 Stainless Steel inserts.

Colors: Red, yellow, green, blue, white, black, orange, gray and other customized colors.

Marking content: Company Name, Logo, Serial numbers and bar codes.

Printing Methods: Laser Marking, Hot-stamping (optional)

General Packaging: 100 pcs/ bag,
50 bags/ carton

Application: Fuel Trucks, Ballot Boxes, Bags, Containers, Safety Kits, Animals

Removal only by Wire Cutters and eye safety gear is mandatory.

1. mark size: 26.1mm*10mm
2. tail diameter: 4mm
3. product length: 330mm
4. product weight: 3.75g
5. tensile strength: >200N

PLASTIC SEALS, PLASTIC SECURITY SEALS WITH OPTIONAL METAL INSERTS, HSA-SS-P-TX-PS404

SKU: HSA-SS-P-TX-PS404

Plastic Security Seals with Optional Metal Inserts, ISO 9001 Certified, Strong Tensile Strength. Pull Tight or Fix Length.

Anti-spin, ISO 17712 & C-TPAT Compliant, "H" Certified. Easy no tool application.

Material: PP + PE; #65 manganese steel/304 Stainless Steel inserts.

Colors: Red, yellow, green, blue, white, black, orange, gray and other customized colors.

Marking content: Company Name, Logo, Serial numbers and bar codes.

Printing Methods: Laser Marking, Hot-stamping (optional)

General Packaging: 100 pcs/ bag,
50 bags/ carton

Application: Fuel Trucks, Ballot Boxes, Bags, Containers, Safety Kits, Animals

Removal only by Wire Cutters and eye safety gear is mandatory.

1. mark size: 30mm*20mm
2. tail diameter: 2.5mm
3. product length: 190mm
4. product weight: 2.2g
5. tensile strength: >200N

PLASTIC SEALS, PLASTIC SECURITY SEALS WITH OPTIONAL METAL INSERTS, HSA-SS-P-TX-PS208

SKU: HSA-SS-P-TX-PS208

Plastic Security Seals with Optional Metal Inserts, ISO 9001 Certified, Strong Tensile Strength. Pull Tight or Fix Length.

Anti-spin, ISO 17712 & C-TPAT Compliant, "H" Certified. Easy no tool application.

Material: PP + PE; #65 manganese steel/304 Stainless Steel inserts.

Colors: Red, yellow, green, blue, white, black, orange, gray and other customized colors.

Marking content: Company Name, Logo, Serial numbers and bar codes.

Printing Methods: Laser Marking, Hot-stamping (optional)

General Packaging: 100 pcs/ bag,
50 bags/ carton

Application: Fuel Trucks, Ballot Boxes, Bags, Containers, Safety Kits, Animals

Removal only by Wire Cutters and eye safety gear is mandatory.

1. Mark Size: 35mm*25mm
2. Tail Diameter: 6mm
3. Product Length: 300mm/400mm/500mm
4. Product Weight: 3.95g
5. Tensile Strength: 424N
